

Internship: Social Media Content Creator (Remote)

Company: Taste Europe

Location: Remote in Amsterdam (no physical office)

Period: Flexible start date

Duration: 3–6 months

Compensation: Unfortunately, we cannot offer financial compensation for this position. However, you'll gain valuable hands-on experience, creative freedom, and if you truly shine there's a chance to continue as a paid freelancer after the internship.

About Taste Europe

Taste Europe is a new self-guided food experience platform based in Amsterdam. We connect travelers and locals with authentic culinary experiences across Europe, starting with our first tour in De Pijp, Amsterdam. Our mission is to make it easy and fun for young budget travelers to taste the best of local food culture, at their own pace and without a tour guide. Learn more at <https://tastetour.com>

About the Internship

We're looking for a creative and independent Social Media Content Creator intern who's ready to take ownership and help publish a cool product to a young audience (ages 20–30). Since we don't have a physical office or an in-house marketing team, you'll have the freedom and responsibility to shape our brand's voice and visual identity online. This role is perfect for someone who's motivated, enjoys storytelling, and wants to make an impact in a fast-growing travel and food startup.

Your Responsibilities

- Create and edit engaging photo and video content for Instagram, TikTok, and Facebook.
- Plan, post, and manage consistent social media campaigns.
- Develop creative ideas to reach young travelers and food lovers.
- Engage with followers and grow our community.
- Analyze performance and propose improvements.

Who You Are

- You study Communication, Creative Business, Marketing, or a related field.
- You're creative, proactive, and confident working independently.
- You enjoy social media trends, food, and travel culture.
- You're fluent in English and love connecting with people through digital storytelling.

What We Offer

- A fully remote, flexible internship.
- The chance to take creative ownership from day one.
- Real responsibility and the opportunity to shape a growing brand.
- Potential to continue as a freelancer after the internship if it's a great fit.
