

Creative Campaigns & Production Internship

Do you have excellent organisational skills, an eye for detail and the hunger to learn? Are you interested in a career in advertising or production? If so, we'd love to hear from you! We're looking for a motivated, self-starter to join our team in Amsterdam for a 6 month internship.

During the internship, you'll get the chance to work side by side with our creative team, supporting them with all pre-production tasks from editing presentation decks to sourcing props and running errands on set. You'll have the opportunity to see projects run right through to campaign delivery, assisting the team with all administrative duties.

You'll have the chance to get involved with creative brainstorming and work with our account managers, giving you a well-rounded insight into a long-term career in the creative industry.

What skills do I need?

- Excellent organisation skills with an eye for detail
- Proficient in Microsoft Excel and Google Slides
- Ability to work under pressure and across a number of projects at one time
- A hunger to learn and get involved with all aspects
- A strong interest in developing a future career in production or creative campaigns
- Ability to communicate with people at all levels in a professional manner
